Second Sem

(d) Synopsis Process   :   After complete the Course work , university allocates the Guide / Supervisor to the student

in 2nd sem ,student will submit the Synopsis of their research proposal.

Student will submit Synopsis Submission Fees Rs. 10,000/- , and pay Rs. 40000 Semester fees

within 60 days

(e) Guide / Supervisor   :   RAC Committee will approve the Synopsis.

2nd Sem Total Amount   :   Rs. 10000 + 40000 = 50000

Third Sem

(f) 1st Progress Report   :   After Synopsis approval , Students will submit progress report time to time in 3rd sem

Student will pay Library Fees Rs. 10,000/-. And will pay Rs. 40000 Semester fees within 60 days

Student will published 1st Research paper and attend research seminar or conference

 (As per Guideline given by UGC)

3rd Sem Total Amount   :   Rs. 10000 + 40000 = 50000

Fourth Sem

(g) 2nd Progress Report   :   Students will submit 2nd progress report time to time in 4th sem

Computer Lab. & Science Laboratory Rs. 15,000/- (if applicable)

And will pay Rs. 40000 Semester fees within 60 days

Student will publish 2nd Research paper and attend research seminar or conformance

(As per Guideline given by UGC)

4th Sem Total Amount   :   Rs. 40000 = 40000 and Computer Lab. & Science Laboratory Rs. 15,000/- (if applicable)

Fifth Sem

(h) 3rd Progress Report   :   Students will submit 3rd progress report time to time in 5th sem

And will pay Rs. 40000 Semester fees within 60 days

 Student will give presentation in University Campus about their research work

5th Sem Total Amount   :   Rs. 40000 = 40000

Sixth Sem

(i) Thesis Submission   :   Students will submit Soft copy of their research work / Thesis work

After final approval student will submit final Hard copy(6 Set) of their research work / Thesis.

And Student will pay Final research work / Thesis Submission Fees Rs. 10,000/ -

And will pay Rs. 40000 Semester fees within 60 days

 Student will give presentation in University Campus about their research work / Project work

6th Sem Total Amount   :   Rs. 10000 + 40000 = 50000

(j) PhD Viva   :   **RAC(Research advisory Committee)** decide the final Viva date

And student will pay Ph.D. Viva Charge Rs. 15,000/-

Total PhD Amount   :   60000+50000+50000+40000+40000+50000+15000 = 305,000

Computer Lab. & Science Laboratory Rs. 15,000/- (if applicable)
